The Benowa Waters Residents Association is a not-for-profit organisation that has been set up as a community initiative to keep the area crime-free. By ensuring security patrols are active and community members are observant, the community can sleep easier at night knowing there is a deterrent to criminals.

The Security Fund has been set up to fund security initiatives in the neighbourhood. Its goal is to increase security and eliminate crime in the neighbourhood. Contributions from residents fund this.

Please consider contributing now. Based on 930 properties, if 50% were to pay \$250 per year, we can fund security patrols every night in the area.

## COMMITTEE ANNOUNCEMENTS

Residents held a community and committee meeting on 25 September. The full minutes have been distributed to those who attended or apologised.

The discussion points:

- Ongoing security and how to approach this
- Ideas tabled by many of the attendees
- Fundraising ideas
- Call for new committee members
- Current financial and subscription situation

If you are contributing and would like a copy of the minutes, please contact us. We will be holding regular community meetings. All residents are invited, so please check the Facebook group for more information, or contact us.

A new website has been launched, making it easier to contribute and easier for us to share information. You can contribute annually, quarterly or even monthly. You can also check your subscription status online.
